

The #Knitwell Collection

The #Knitwell capsule collection is a collaboration between KPC Yarn and extreme knitter and textile artist, Jacqui Fink. Combining a shared passion for natural fibres and high-quality yarns, #Knitwell comprises a collection of luxurious yarns and hand-knit designs with a timeless and understated beauty.

Imagined by Jacqui Fink and milled by KPC Yarn, bringing years of experience with them, the #Knitwell yarns are made from recycled cashmere, Australian merino wool and recycled cotton. The knitwear and textile pieces that accompany them have been designed by Jacqui Fink and developed by KPC Yarn's in-house pattern-makers.

The collection embodies our desire to create yarns and textiles, on a scale accessible to all knitting and crocheting enthusiasts, that support the ethical treatment of animals; are environmentally friendly, and follow responsible protocols and sustainable practices.
